The screenshot shows a web browser window displaying the CITI Program website. The browser's address bar shows the URL: <https://www.citiprogram.org/index.cfm?pagelD=157&icat=3&ac=1>. The page header includes a navigation menu with links for Home, About Us, Courses, Become a Subscriber, CE Credits, and News. A search bar labeled "Search Knowledge Base" is also present. The main content area is titled "CITI - Learner Registration - College of Saint Elizabeth" and features a progress indicator with steps 1 through 7, where step 5 is currently selected. A red asterisk indicates a required field. The main question is: *** Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?** Below this question, there is explanatory text: "CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements. CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for many CITI courses – with that availability indicated on course and module listings. **Please register your interest for CE credits below** by checking the "YES" or "NO" dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully." Under the heading "Yes", there is a text box containing the following text: "At the start of your course, you will be prompted to click on a "CE Information" page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course." A purple speech bubble is overlaid on the page, pointing to the registration question, with the text: "Here you indicate if you want to do this for CE. There is a cost if you want the contact hours." The browser's taskbar at the bottom shows various application icons, including Safari, Mail, Calendar, Chrome, and others.

It is not required that you do this for CE. You will print a completion form at the end of the course to show to the faculty. If you are unsure, you can say yes and then cancel the option later. Then go to step 6.

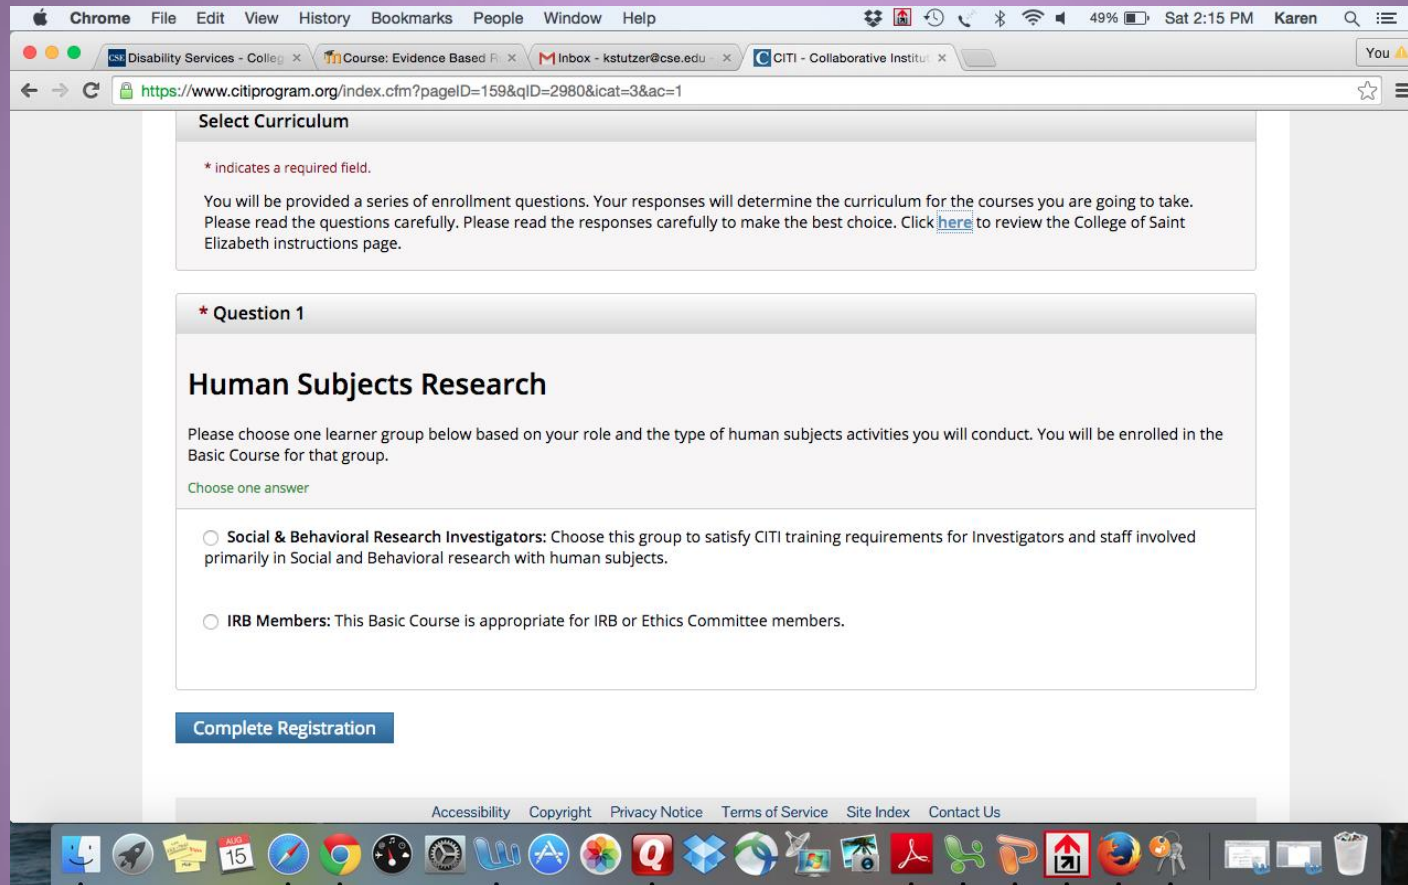

On this page you will register for the appropriate course.

Your role = Investigator

Your course = Basic Human Subjects – Social & Behavioral Focus

Then Continue to Step 7 to complete registration

**Your learner group is Social & Behavioral Research Investigator.
This completes the registration.**
