Affidavit of Support: Annual Cash Support

What Does This Affidavit Mean?

By completing this affidavit, you are swearing to the U.S. government that you will provide this student with a specific amount of money for every year he or she is going to study at Saint Elizabeth University and living in the United States. Also, with the documents you have attached, you are proving that you can afford the support you are promising.

Before signing this affidavit, you must understand that you are making a financial commitment to the student. This commitment should not be broken. Sponsors who fail to provide support force students to drop out of school, causing pain and suffering. Do not expect that the student will be able to help support the costs through employment. Employment is strictly controlled by the Immigration Service and is very limited.

How to Complete This Form:

• Fill this form out completely in English.
• Promise only the amount of money you are able to give. The most common reason we reject affidavits is that we do not believe a sponsor can afford to give as much money as promised.
• Attach the documentary evidence of support explained below.
• Sign the affidavit in front of a notary public, or the appropriate official in your country

Prove that you are financially capable of providing this cash support for every year of the student’s program by attaching the following documents. If all of these documents are not attached, your support will not be considered.

Documents must be:

• Original documents
• In English
• Notarized
• Current (less than two months old)
• In U.S. currency

PROOF OF INCOME

This must be on your employer’s business stationery; on income tax returns; or estimated by a bank or private accountant if you are self-employed. The income of a company will not be accepted as proof of your income. You must provide an official statement of the salary paid to you, or this must appear on tax returns.

BANK STATEMENT in your name, which states the date the account was opened, current balance in U.S. dollars, average deposits, and average balances.

We cannot accept statements that do not specify average balances unless the current balance is stated to be a minimum of six figures in U.S. dollars.

If another person’s name appears on your bank statement, that person must complete a separate affidavit, or submit a notarized statement permitting those funds to be considered as financial support for the student.
