CSAC Suspends Athletic Activity Through April 3, 2020

March 13, 2020

Dear CSE Community:

The Colonial States Athletic Conference Board of Directors today announced it is suspending all athletic activity for three weeks, starting on Friday, March 13, 2020 through Friday, April 3, 2020.

CSE is working closely with the CSAC administration, which is monitoring the spread of COVID-19 and its impact on member institution campus operations.

The health and safety of our student-athletes and campus community are of paramount importance to both CSE and the CSAC.

We will be working with the CSAC Board of Director to assess, discuss and implement further action as needed.

Sincerely,

Helen J. Streubert
President
